

ABOUT US

We are a team with the aim to present easily accessible platform for general aptitude and different levels of competitive tests. Through such events we bring in fun, learning and competition together. We encourage our competitors/participants to find a practical application to their learnings and aim to boost their self-confidence. We try to come up with more interesting and fun ideas so that the students enjoy to the fullest in events like these.

IN THE WORDS OF OUR COMPANY'S CEO, MR. MOHIT NUWAL
"I WANT TO REACH EACH AND EVERY KID I CAN AND TELL HIM/HER THAT, IT IS NOT AS DIFFICULT AS YOU THINK.
I'M HERE TO HELP YOU, I HAVE BUILT A PLATFORM TO HELP YOU.
THIS IS WHAT I DREAM ABOUT, THIS IS WHAT MY COMPANY DREAMS ABOUT."

why us

The educational technology company Calibre Clinch puts teamwork at the centre of the learning experience. Calibre Clinch education cloud links the Individuals, Materials and processes that fuel education, and provides monthly activities required to personalise education and optimise student outcomes.

The conventional method of teaching and offline schooling is plagued by numerous inefficiencies.

This business is made up of a community of college students who are aware of all the recent reforms in our education system and want to assist other fellow students to benefit from this.

Campus Ambassadors

Listing some of the perks for our campus ambassadors

- 1) On performing according to the expectations set they will be acknowledged and given a higher position in our company
- 2) They will get a chance to interact with highly intellectual people and expand their knowledge base.
- 3) A chance to learn from a new start-up company.
- 4) To get a proper exposure from the very beginning.
- 5) Assured incentives will be given to those who surprise us with their hard work and dedication

Mission

Our primary mission is to make our students understand that quizzes/tests are not something one should be afraid of. We have opened this portal for students right from 5th Standard so that these future leaders get a taste of the outside world and learn to expand their knowledge. Our mental Ability test will be leading tests from our basket of quizzes!

Vision

Once we are established and have a strong stand, we will start including tests for different subjects start with coding exams and arrange exciting workshops for our students!
